

The Beauty of Physics: Bridging Science and Art!

An artistic contest

International
Day of Light

initiated by **Prof. Hanan Sa'adeh**, LAMBDA Physics Group

in celebrating the 10-year anniversary of LAMBDA Physics Group at the University of Jordan,

in conjunction with the 2025 International Day of Light (IDL 2025)

and the 2025 International Year of Quantum Science and Technology (IYQ 2025)

Themes

The general theme of this contest is "Physics is both science and art". Use your inspiration and feelings to express "physics" concepts in a creative/artistic way (photo, video, wallpaper, poem, song, story, game, caricature, show/play) in one of the following 3 categories: Quantum (Knowledge/Technology), Light (Knowledge/Technology), or Physics in general (i.e., any other fields).

Requirements

- 1- The competition is open to anyone at the University of Jordan. Participation from outside the university is also welcome.
- 2- Registration through the participation form is mandatory.
- 3- Individual and Team participations are both welcome. For team participation, the number of participants must not exceed three, and one participant must be registered as a principal participant.
- 4- Participation in more than one category is allowed, provided that the participant submits a separate participation form for every category.
- 5- All participations must be original work and have not been submitted before for any other competitions.
- 6- Any participation that does not fulfill the above requirements will not be considered for evaluation.

Prizes and Certificates

- Prizes will be awarded for the best participation in every category.
- Certificates of participation will be given to all participants.
- Prizes and certificates will be awarded at a special ceremony of "10-year Anniversary of LAMBDA".

All inquiries and participations should be directed to **Prof. Hanan Sa'adeh** by email:
